Dear Mr. Lister:

On September 16, 2011, the Division of Oil, Gas and Mining received your letter regarding the Bullseye #1 Mine, S/023/0031, and the Buckskin/Bandstone Exploration Project, E/023/0056.

In order to reduce your permitted acreage and reallocate your bond, you will need to do the following:

- 1) Amend your NOI. Please fill out and return the amendment forms that Wayne Western handed you at your meeting. Please also include a map showing the disturbed area boundaries.
- 2) Request the release of the bond on your Buckskin/Bandstone Project. Please fill out and return the enclosed bond release request forms. Since the current bond is in the form of a certificate of deposit held by the BLM, you will also need to contact the BLM to request the release of your bond.
- 3) Send the Division a completed, signed and notarized Reclamation Contract. This form was mailed to you with a recent Division letter, dated June 9, 2011.

We would be glad to assist you with any of these forms. Please contact me at 801-538-5261 or Wayne Western at 801-538-5263 if you have questions about any aspect of this letter. Thank you for your cooperation.

Sincerely,
